Transcriber's Office

February 4, 1997 LB 106, 261

SENATOR VRTISKA: Senator Dierks, I'm like Roger, I haven't had...I was called back behind. I haven't had a chance to really review the bill that close, but I was curious. Does this...is this only during the harvest time, or is this...? I mean, how does the bill state?

SENATOR DIERKS: Yes, it is just in the...it's just during the harvest and a certain length of time after. I can't tell you exactly the dates, but it does just involve the harvest time.

SENATOR VRTISKA: Well, the reason I asked is because I know there's a lot of concern about some of the roads in the spring when they start to get soft, and this doesn't allow you at that particular time, if you're going to deliver some of that stuff, to use that extra weight. This is just when you're harvesting, right?

SENATOR DIERKS: Yes. It doesn't change any legislation at all except it just extends the mileage.

SENATOR VRTISKA: Oh, okay. Okay. I'm sorry I didn't get to read the bill more clearly, but I wanted to make sure that I understood that part of it, and so...

SENATOR DIERKS: We just extend it from 120 miles to include the rest of the state.

SENATOR VRTISKA: Okay. Okay. Thank you.

SENATOR DIERKS: You bet.
